

## From Chemnitz for Chemnitz: CITY CYCLING STARS 2024

This year, too, several Chemnitz citizens will once again compete as CITY CYCLING stars and represent the campaign to the outside world. Their experiences and adventures on two wheels can be followed on the CITY CYCLING blog to follow them.

## #chemnitzdrehtamradtour2024

The kick-off tour for CITY CYCLING will take place on 2 September 2024. We start in the Park of the Victims of Fascism. Come by and join us on the bike. Further information will be published before the tour.

## WHAT IS IT ABOUT?

Pedal from 2 - 22 September 2024 with your family and friends and collect as many kilometres as possible! Whether you are a frequent traveller or a short-distance cyclist: the main thing is to travel CO<sub>2</sub>-free. For your health, more cycle paths and the environment!

## WHO CAN HELP TURN THE WHEEL?

Everyone who lives, works, studies or belongs to a club in Chemnitz. Join in and spread the word the more cyclists the better!

## HOW DOES THE APP WORK?

1. Download the CITY CYCLING app.
2. Select Saxony for „federal state“ and Chemnitz for „Municipality“.
3. Select a team or create a new one.
4. Enter your personal data.
5. Accept the rules of the game and the privacy policy.

## WHAT DO WE WANT TO ACHIEVE?

We want to promote the health of every individual, improve the cycle path network, promote climate protection and thus make our city even more liveable. The CITY CYCLING data helps to visualise the potentials and obstacles of cyclists, scooters and scooter users visible. You too can make a contribution!
